

DongChan Seo

Full-Stack web developer

571-335-2177 | Fairfax, VA | [LinkedIn](#) | [Github](#) | marco.dseo@gmail.com

	Summary	
TECHNICAL SKILLS	<p>I am a determined developer with a particular passion solving everyday problems in effective ways. Most recently I completed a full stack web development program at Coding Dojo where I specialized in Python and MEAN. I am dedicated to always learning and looking for an opportunity where I can make a meaningful contribution to a team and a community at large.</p> <p>Projects</p> <p><u>Personal Blog</u> : this is simple website built by Angular. Please come visit and check who I am.</p> <p><u>Markets Buy&Sell</u> : login & register, using CRUD operators for post, get, and delete. delete button for your post, contact button for others' post. (MEAN full-stack)</p> <p><u>Movie Reviews</u> : using CRUD operators for post, get and delete. You can delete each movie or each review.</p>
